Minister's message

On behalf of the Canada Border Services Agency (CBSA), I am pleased to present our report on fees for the 2022–23 fiscal year.

The *Service Fees Act* provides a modern legislative framework that enables cost-effective delivery of services, while improving transparency and oversight through better reporting to Parliament. Accordingly, this report provides details on fees under the CBSA's authority, including fee amounts, service standards, performance results, and financial information.

The reporting regime provided under the *Service Fees Act* continues to ensure open and transparent fee management.

The Honourable Dominic LeBlanc
Minister of Public Safety, Democratic Institutions
and Intergovernmental Affairs

About this report

This report, which is tabled under section 20 of the *Service Fees Act*,ⁱ the *Low-Materiality Fees Regulations*,ⁱⁱ and section 4.2.8 of the Treasury Board *Directive on Charging and Special Financial Authorities*,ⁱⁱⁱ contains information about the fees that the CBSA had the authority to set in the 2022–23 fiscal year.

This report covers fees that are both subject to the *Service Fees Act* and exempt from the *Service Fees Act*.

For reporting purposes, fees are categorized by fee-setting mechanism. There are three mechanisms:

- 1. Act, regulation or fees notice:** The authority to set these fees is delegated to a department, minister or Governor in Council pursuant to an act of Parliament.
- 2. Contract:** Ministers have the authority to enter into contracts, which are usually negotiated between the minister and an individual or organization, and which cover fees and other terms and conditions. In some cases, that authority may also be provided by an act of Parliament.
- 3. Market rate or auction:** The authority to set these fees is pursuant to an act of Parliament or a regulation, and the minister, department or Governor in Council has no control over the fee amount.

For fees set by act, regulation or fees notice, this report provides totals for fee groupings, as well as detailed information for each fee. Note that the CBSA does not have any fees set by contract, market rate or auction.

Although fees charged by the CBSA under the *Access to Information Act* are subject to the *Service Fees Act*, they are not included in this report. Information on the CBSA's access to information fees for 2022–23 is provided in our [annual report to Parliament on the administration of the *Access to Information Act*](#).^{iv}

Remissions

In 2022–23, the CBSA was subject to the requirements to issue remissions under section 7 of the *Service Fees Act* and subsection 4.2.4 of the Treasury Board *Directive on Charging and Special Financial Authorities* to remit a fee, in whole or in part, to a fee payer when a service standard was deemed not met. The CBSA’s [remission policy pursuant to the *Service Fees Act*](#)^y is available on the Agency’s website.

The following sections of this report provide detailed amounts on the CBSA’s remissions for 2022–23.

Overall totals, by fee-setting mechanism

This section presents the total revenue, cost and remissions for all fees that the CBSA had the authority to set in 2022–23, by fee-setting mechanism.

Overall totals for 2022–23, by fee-setting mechanism

Fee-setting mechanism	Revenue (\$)¹	Cost (\$)	Remissions (\$)
Fees set by act, regulation or fees notice	17,902,162.19	90,098,702.48	0

¹ It should be noted that the total revenue collected in 2022–23 (\$17,902,162.19) is higher than in 2021–22 (\$10,532,577.36), representing an increase of 70%. This can be attributed to the resumption of services in 2022–23 that were impacted by the COVID-19 pandemic during the previous fiscal year.

Totals, by fee grouping, for fees set by act, regulation or fees notice

This section presents, for each fee grouping, the total revenue, cost and remissions for all fees that the CBSA had the authority to set in 2022–23 by any of the following:

- act
- regulation
- fees notice

A fee grouping is a set of fees relating to a single business line, directorate or program that a department had the authority to set for those activities.
